

2 Internship positions available

The Club at River Oaks
2 Evans Hill Road
Sherman, CT. 06784

The Club at River Oaks is a private 18-hole golf course and community. It is located in western Connecticut, close to the New York border. The position is hands on and will allow interns to further their agronomic and leadership skills. You will assist in all aspects of course maintenance and operation, as well as fertilizer and chemical applications. River Oaks is a young course that has plenty of projects slated for this summer.

Intern must have Connecticut applicators license or be able to obtain it in a timely fashion. You must be motivated and a self starter. The position pays \$500-\$600 a week, with 3 days off every other weekend, golfing privileges, and future consideration for long term employment.
