

POSITION ANNOUNCEMENT

November 26, 2007

2008 Summer Internship

The Shelter Harbor Golf Club
1 Golf Club Drive
Charlestown, R.I. 02813

COURSE DESCRIPTION

Private Membership, 18 hole 7,200 yard championship course, nine hole Par 3 course and a 20 acre practice facility. The project was designed by Hurdzan/Fry, Columbus, Ohio, and opened for play in June 2005.

We will employ 35 / 40 people during the season with 9 full time staff members and a budget of \$1.7. A Toro Site-Pro fully automatic irrigation, Plant Star Fertigation and Chemical Pre-Mix and Carbtrol Recycle Equipment Wash System are in use.

WHAT EACH INTERN WILL EXPERIENCE AT SHGC:

The interns will be involved in maintaining the high standard of our course maintenance operation. This will include pesticide and fertilizer applications, operation and maintenance of the irrigation and drainage systems, operations and maintenance of a Carbtrol Recycling System and a Plant Star Fertigation and Pesticide Pre-Mix System and course set-up. Time will also be spent learning basic preventative equipment maintenance and reel technology and involvement with our Trims software administrative operation.

Interns may have the opportunity to take part in "Cross Training" with other club departments during the season. These opportunities may include: club house, pro shop and restaurant operations. Each intern will visit one product supplier (sod farm, fertilizer mix plant, equipment / irrigation supplier or Titleist Training Center) during their employment period.

All related operational information / documentation, and existing pictures, will be available to each intern for the purpose of developing their internship report and professional portfolio. We can also provide resume preparations guidance and each intern will go through an exit interview with hopes of preparing them for future job opportunities. Our golf course management staff, General Manager and Golf Professional may assist with these interviews.

SALARY:

\$13-14 per hour, with a 50 plus hour work week expected. Housing provided with a small stipend charge of \$250 / month. Meals will be provided at no cost on days the club house is open (starting June 1, Tuesdays through Sunday afternoons). Shelter Harbor Golf Club will cover all expenses involved with interviewing.

More specific information will be provided to interested individuals. Also please view our web page for more course information: www.shgcri.com

Interested individuals should contact and, or, send a resume to Dan Neus at the address or phone numbers below and be prepared to visit the course and interview for these positions with the Greens & Grounds Department management team. Alternative interview sites can be discussed if traveling to Rhode Island is not possible.
